(Latrobe Pavilion)**

1:00 PM - 2:00 PM

WHAT: Trout Release with McKnight Elementary

WHEN: Saturday, March 16, 2013 (1:00 pm – 2:00 pm) – Rain, Snow or Shine

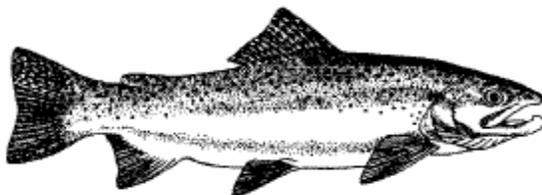

WHERE: North Park – Latrobe Pavilion (Near the North Park Boathouse)

INFO: Since the beginning of the school year, Mr. Shane and his Second Grade class (2A) have been participating in the Trout in the Classroom Project. They have been caring for over 200 trout eggs that have hatched into little swimming trout. Now it is time to release them into the wild.

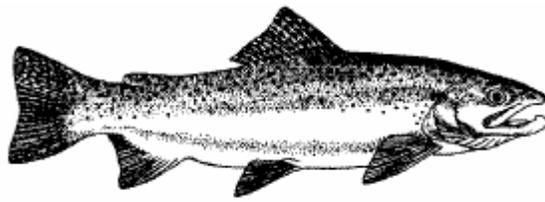

All Friends & Families of McKnight Elementary are invited to the Trout Release program.

Since there are a limited number of trout to release, only students who have received the "TROUT TICKETS" at school are permitted to release the trout.

Please prepare for the weather and don't forget to wear **appropriate clothing and footwear** (Boots or hip waders are recommended since you will be near water). Hope to see you there!

Thanks for
taking care
of us!!!
